

RVI GROUP

Residual Value Insurance

The pioneer in residual value insurance, RVI and its family of companies have been serving the Auto Finance Industry for over 20 years by helping our clients improve the financial performance of their leasing, securitization, and other residual-driven financings.

Solutions to Residual Risk Exposure and Lease Accounting Treatment for the Auto Finance Industry

- ◆ Our clients employ Residual Value Insurance to achieve a variety of financial solutions:
 - Manage residual risk exposure against unforeseeable market fluctuations
 - Achieve finance lease accounting to:
 - ❖ Accelerate earnings
 - ❖ “Convert” a balance sheet asset to a financial receivable
 - ❖ Facilitate securitization of lease receivables
- ◆ RVI serves a wide range of lessors and lenders using our technical knowledge and expertise:
 - Fleet Management Companies
 - Captive Finance Companies
 - Independent Lessors
 - Banks
 - Credit Unions

- ◆ **PLUS** Each policy is custom designed to precisely match the client’s needs, and is supported by a dedicated Account Team to provide RVI’s best-in-class customer service.

Call **Rene Abdalah** at 203.975.2147 or **Chris Deloge** at 203.975.2144 to learn more about RVI’s products and services.
